

THE UNITED REPUBLIC OF TANZANIA

THE CONTRACTORS REGISTRATION ACT (Act No. 17 of 1997)

BY-LAWS -1999

GOVERNMENT NOTICE No. 340 published on 22/10/99

THE CONTRACTORS REGISTRATION ACT

(ACT No. 17 of 1997)

BY-LAWS

Made under section 35

THE CONTRACTORS REGISTRATION BY-LAWS, 1999

1. These By-laws may be cited as the Contractors Registration By- Citation laws, 1999.

2. In these By-laws unless the context requires otherwise-

Interpreta-

"Act" means the Contractors Registration Act;

"Board" means the Contractors Registration Board;

"Minister" means the Minister responsible for Works.

"Uprading" means upgrading to a higher class of registration of contractors.

3.-(1) Every application for registration or upgrading shall be-

Application for permanent registration

- (a) in Form CRB-FI as set out in the First Schedule;
- (b) Submitted to the Board upon payment of application fees as set out in Table 12 of the Second Schedule;
- (c) accompanied with the following information-
 - (i) the company profile;
 - (ii) applicant's bank references, in Form CRB-F2 as set out in the First Schedule;
 - (iii) particulars of key personnel employed by the firm.
 - (iv) particulars of plant and equipment owned;
 - (v) firm's experience in the field of application indicating particulars of projects executed in the last ten years;
 - (vi) names and qualifications of at least two referees who shall not be firms in the case of first registration;
 - (vii) a signed declaration undertaking to comply with the conditions of registration and non-involvement in corrupt prac-

G. N. No. 340 (contd.)

tices in Form CRB-F3 set out in the First Schedule; (viii) a copy of audited accounts.

(2) Each director, shareholder or partiner shall fill a curriculum vitae in Form CRB-F4 set out in the First Schedule.

Application for temporary registration by foreign firms

- 4.-(1) Any foreign firm intending to carry out a specific contract for which it has been contracted shall submit to the Board the application on Form CRB-F5 set out in the First Schedule upon the payment of a application fee as set out in Table 12 of the Second Schedule.
- (2) A duly filled application form shall be accompanied with the following information-
 - (a) company profile;
 - (b) particulars of the contracted project;
 - (c) particulars of key personnel engaged in the project including their professions and nationalities;
 - (d) particulars of plant and equipment deployed in the project;
 - (e) experience of the firm including particulars of project executed in the last ten years;
 - (f) certificate of compliance from the Registrar of Companies;
 - (g) a letter from the client supporting the application;
 - (h) an affidavit as shown in Form CRB-F6 declaring that once the firm has completed the specific contract it shall wind up business and shall not engage in any other for permanent registration;
 - (i) a signed declaration that the firm shall not involve itself in corrupt practices and that it shall comply with all conditions of registration.

Data

5. The Board may enquire in writing to each of the referees, clients or consultants declared by the applicant in Form CRB-F7 and Form CRB-F8 respectively as set out in information submitted by the applicant.

Inspection of pre-

- 6.-(1) At least two officers of the Board shall visit and inspect the offices, workshops, yards, properties and projects executed or any other facilities of the applicant.
 - (2) The Board may request or Regional Engineer or any other com-

petent person to do the inspection in cases of first registration in classes IV through VII or upgrading to Classes VI, V and IV.

- (3) The applicant shall provide transport for the physical visits done under paragraph (1).
- (4) Any person who makes the inspection under this By-laws is required to fill the inspection form prescribed in Form CRB-F9 set out in the First Schedule.
- (5) A show cause notice on site shortfalls found on site shall be served by the Board to any person with authority on the site on the prescribed Form CRB-F10.
- 7.—(1) There shall be kept separate registers for each type of contractors as specified in section 7(2) of the Act.

Classification of contractors

- (2) Specialist contractors include those engaged in the following trades, namely-
 - (a) carpentry and joinery works;
 - (b) plumbing and sanitation;
 - (c) glazing;
 - (d) demolition;
 - (e) drilling;
 - (f) terrazo paving;
 - (g) piling;
 - (h) labour based road maintenance;
 - (i) scaffolding;
 - (j) paving;
 - (k) roofing;
 - (1) painting;
 - (m) decorating;
 - (n) landscaping;
 - (o) refrigeration and airconditioning;
 - (p) lift or elevator installation;
 - (q) car or truck body building;
 - (r) motor rewinding;
 - (s) telecommunication and security systems installation;
 - (t) engineering and safety system installation;
 - (u) rigging;

G. N. No. 340 (const.)

- (v) finishes and refurbishment:
- (w) any other trade as may be specified by the Board from time to time.

Class limi-

- 8.-(1) The class limit for any single contract by a local contractor shall be as set out in Table 1 of the Second Schedule.
 - (2) Foreign contractors shall be limited to classes I and II only.
 - (3) The limit for a single contract-
 - (a) by a foreign contractor shall be as set out in class One and Two in Table 1 of the Second Schedule as applicable;
 - (b) by a local and a foreign specialist contractor shall be as set out in class One. Two and Three, in Table 1 of the Second Schedule as applicable:
- (4) The Board may on an annual basis review the class limits set out in Table 1 of the Second Schedule.

Additional requirements for registrati-

- 9.-(1) In addition to the requirements for qualification for registration under the Act, the following shall be requirements to be satisfied by the Board, namely—
 - (a) that such person or group of persons applying for registration has a Certificate of Registration from the Registrar of Companies either as a limited liability company, partinership or sole proprietorship
 - (b) that the Memorandum and Articles of Association in case of a limited liability company is certified by the Registrar of Companies;
 - (c) that at least one of the shareholders or partiners has the minimum technical qualifications prescribed under Table 2 of the Second Schedule, and as may be reviewed by the Board from time to time.
 - (2) The Board shall review the riculum vitae of each shareholder or partiner as the case may be to ensure that they are persons of good professional and general conduct.

Determination of appropriate class

10.-(1) In determining the appropriate class for registration as a contractor, the following criteria shall be used, namely-

(a)	staff requirements	25	points.
(b)	plant and equipment	2.0	points.
(c)	office and service facilities	10	points.
(d)	safety gear	5	points.
(e)			points.
(f)	experience of the firm	10	points.

- (2) An applicant who scores an aggregate of 60 points or above, but not less than half of the points in any criteria under subparagraphs (a) to (f) of paragraph (1) qualifies for registration.
- (3) A local contractor who applies for registration for the first time under class IV, V, VI or VII in Table 1 of the Second Schedule shall not be assessed for experience of the firm but instead individual experiences of the shareholders or partiners and their employees shall be taken into account.
- 11.—(1) Any contractor applying for registration or upgrading is required to have a number of staff having the minimum technical qualifications and skills for the respective type and class as prescribed under Part A of Tables 3 6 of the Second Schedule, and as may be reviewed by the Board from time to time.

Staff requirements

- (2) The marks for staff qualification shall be further allocated as follows-
- 12.-(1) Any plant or equipment owned by a contractor for the execution of the intended works shall be assessed-

Plant and equipment

- (a) against the registration requirements for the respective type and class as set out under Part B of Tables 3 -6 of the Second Schedule, and as may be reviewed by the Board from time to time.
- (b) in accordance with its age and conditions based on available records or visual inspection.

G. N. No. 340 (contd.)

- (2) The marks for plant or equipment shall be distributed as follows-
- (b) age and condition of plant or equipment...... 5 points.

Office and service facilities

- 13.—(1) Any person or firm applying for registration or upgrading is required to satisfy the registration requirements for office and service facilities as set out in Part C of Table 3 6 of the Second Schedule, as may be reviewed by the Board from time to time.
- (2) A contractor under class I, II and III is required to have a well established workshop or open yard for storage of materials and equipment.
- (3) The marks for office and service facilities shall be distributed as follows-

Safety gear

- 14.-(1) Every contractor if required to maintain and provide to his workmen appropriate safety gear as set out in Part D of Table 3 6 of the Second Schedule.
- (2) Every contractor shall provide every person on a construction site with a helmet and other appropriate safety gears.
 - (3) The marks for safety gear shall be distributed as follows-
 - (a) helmets1 point;(b) boots1 point;(c) jackets1 point;(d) gloves1 point;(e) masks and others1 point.

15.-(1) Any firm applying for registration shall be assessed in terms of average annual turnover, liquidity and the value of its fixed assets.

Financia requirements

- (2) The financial requirements for any firm applying for upgrading or first registration shall be as set out under Table 7 of the Second Schedule, and as may be reviewed by the Board from time to time.
- (3) The marks for financial requirements shall be distributed as follows-

(a) average annual turnover	10 points
(b) liquidity	10 points
(c) fixed assets	10 points

(4) In the case of new applicants, the average annual turnover shall not be assessed and the allocation of the marks shall be as follows-

(a)liquidity	15 points
(b) fixed assets	15 points

16.—(1) The experience of any firm applying for upgrading or registration in any class other than class VII, shall be judged against the registration requirements set out in Table 8 of the Second Schedule, and as may be reviewed by the Board from time to time.

Firm experience

- (2) The marks for experience requirements shall be distributed as follows-
- 17. In the case of first registration in classes IV through VI, experience of individual staff shall be assessed as follows-

- (b) average size of at least three projects supervised 5 points
- (c) maximum size of any single project supervised 5 points

18.-(1) The Board shall inform the applicant of his approval and the applicant shall pay the prescribed registration fees and annual subscription fees subscription commensurate with the type, class and category of fees registration within sixty days.

Individual staff experience

Registration and annual subscription fees

G.N. No. 340 (contd.)

- (2) An applicant approved for registration who fails to pay the prescribed registration fees and annual subscription fees shall have his approval revoked.
- (3) The fees payable under paragraph (1) are set out in Tables 9, 10 and 1) of the Second Schedule, and as may be reviewed by the Board from time to time.
- (4) The contractor shall be issued with a registration certificate within fourteen days of payment of fees.

Procedure for granting dispensation

- 19.-(1) The Board may grant dispensation in respect of performance of contractors beyond their respective class limits to the above following of the with respect to the actual class registered in.
- (2) Application for dispensation by a contractor shall be made by a client upon payment of a prescribed fee as set out in Table 12 of Second Schedule and shall contain the following information, namely-
 - (a) a summary of the nature and scope of the work;
 - (b) consultant's estimates prior to tendering;
 - (c) consultant's written recommendation to the client on shortlisting of contractors, which shall include the names, addresses and classes of registration of the recommended contractors;
 - (d) final decision of the client on the recommended shortlist of contractors;
 - (e) written proof of invitation to tender as sent to shortlisted tenderers;
 - (f) results of tender opening, showing who were present at opening, their representations, tabulated tender figures and any other special conditions accompanying the tenders;
 - (g) consultant's evaluation results and recommendation to client;
 - (h) client's provisional decision to award the tender to the contractor who needs dispensation.

- (3) A successful applicant shall be granted dispensation upon payment of a fee equivalent to the registration fees of the class in which the value of the project falls
- 20,-(1) Any contractor, who has been suspended or deleted from Rules of the register shall return the Certificate of Registration to the Registrar conduct within one month after being informed of the deletion or suspension.

- (2) Breach of the provisions in paragraph (1) constitutes an offence punishable by a fine equal to three times the registration fee in the class the contractor falis.
- (3) A contractor shall maintain at every construction site a register in which all accidents and causes therefrom are recorded and such accidents shall include all major and minor injuries sustained on the construction site.
- (4) Non compliance of the provision of paragraph (3) shall be punishable by fine of 0.1% of the contract sum or one hundred thousand shillings, whichever is higher.
- (5) Any contractor carrying out works above the class limit without obtaining dispensation from the Board commits an offence punishable by fine of 10% of the amount in excess of the class limit but not less than five hundred thousand shillings.
- (6) A contractor is required to submit annual returns to the Board on prescribed forms issued by the Board, and the forms shall be presented to the Board not later than the 31st March of the following year and non submission constitutes an offence punishable by a fine equal to 0.1% of the class limit or two years suspension.
- (7) Every site for construction, installation, renovation or alteration works shall have a signboard which show the names and address of the project, client, consultants and the contractors of the project.
- (8) Non-compliance of provisions of paragraph (7) constitutes an offence punishable by a fine equal to 0.5% of the contract sum or two hundred thousand shillings, whichever is higher.
- (9) All building construction sites shall be hearded and failure to do so constitutes an offence punishable by a fine equal to 0.5% of the contract sum or two hundred thousand shillings, whichever is higher.

G.N. No. 340 (contd.)

- (10) Any person who obstructs any staff of the Board from performing his duties commits an offence punishable by a fine of two hundred thousand shillings.
- (11) Every contractor shall provide every person on site with the appropriate safety gear, and failure to do so shall constitute an offence punishable by a fine of twenty thousand shillings per person.
- (12) Every contractor shall ensure that there is fire fighting equipment and hygienic facilities on site, and failure to do so shall constitute an offence punishable by a fine of fifty thousand shillings.
- (13) Any kind of negligence on site leading to poor work, breakage or default shall be considered as an offence, punishable by the contractor being downgraded to a class as shall be determined by the Board.
- 21.—(1) A contractor shall uphold and advance the integrity, honour

 Code of and dignity of the contracting business by
 ethics

 (2) using his knowledge and skills for the enhancement of hu-
 - (a) using his knowledge and skills for the enhancement of human welfare;
 - (b) being impartial, and serving with fidelity the public, their employers and clients;
 - (c) striving to enhance reputation and prestige of contractors in Tanzania;
 - (d) supporting the trade association and technical societies of their disciplines;
 - (e) enhancing competence through participation in workshops, seminars, training courses and other technical forums.
 - (2) In the performance of their duties, contractors shall give utmost consideration to safety, health and welfare of their workmen and general public.
 - (3) Every contractor shall perform services only in the areas of his competence.
 - (4) A contractor shall build his reputation on the merit of his services and shall not compete unfairly with others.
 - (5) A contractor shall at all times refrain from corruption and corrupt practices.

(6) Every contractor shall take reasonable care of the environment.
