REGISTRATION OF COMPRESSIVE NATURAL GAS (CNG) VEHICLES CONVERSION WORKSHOPS CONTRACTORS

The Contractors Registration Board (CRB) is a Government Autonomous Regulatory body established in accordance with the Contractors Registration Act, Cap 235 R.E 2023. CRB is responsible for registration of all types of contractors undertaking “construction works” and regulating their conduct for the purpose of protecting consumers of construction services in Tanzania.

It should be noted that, pursuant to Section 2 of the above referred Act, “Construction works” includes among other things, construction, installation, repair, maintenance, renewal, removal, renovation, alteration, dismantling or demolition. Modifying an existing petrol or diesel-powered vehicles to operate using compressed natural gas as its primary or supplementary source of fuel thus falls under this obligation.

NOTICE is therefore hereby given to the public that all person(s) or firms that are involved in the conversion of vehicles, tricycles and motorcycles fuel systems from petrol to Compressive Natural Gas (CNG) as an alternative source of fuel **MUST** be registered by the CRB with immediate effect.

Please note that in accordance with Section 11 of the said Act, no person or firm is allowed to undertake or cause to carry out any construction works without registration by the Board, and holds a valid certificate of registration. Non-compliance with this provision amounts to contravention of the Act and is punishable by the law.

Details for registration requirements under Specialist Mechanical – (Repair and Maintenance of Motor Vehicles) and Application Forms can be accessible through CRB website (www.crb.go.tz) or any of the CRB offices.
