

CONTRACTORS REGISTRATION BOARD

NOTICE OF INTENTION TO SUSPEND CLASS SIX CONTRACTORS

The Contractors Registration Board (herein after “CRB”) is a Government Autonomous Regulatory body established in accordance with the Contractors Registration Act, Cap 235 of the Laws. CRB is responsible for registration of all types of contractors and regulating their conduct for the purpose of protecting consumers of construction services in Tanzania.

As you may recall, on 31/12/2025 CRB issued a list of Class six contractors registered on or before 30.06.2019 requiring them to submit current information that will enable the Board to update their registration status in the data base. Deadline for submission was set to 30.03.2026

As of the set deadline only few contractors had complied with the instruction to do so.

NOTICE is therefore hereby given that, all Class SIX contractors who did not submit the required information as instructed, will be **SUSPENDED** within 14 days from the first appearance of this notice should they fail to do so within the indicated time frame. Names of such contractors with their relevant types and registration numbers can be accessed through the CRB website (www.crb.go.tz)
